

Guaranteed Issue Whole Life

Whole life insurance for those who find it difficult to purchase a life policy due to health issues.

There are no health questions for this plan.

The policy is not intended for individuals who are terminally ill, abuse intravenous drugs, or are confined at home or to a hospital, hospice, clinic, assisted living facility, nursing home or convalescent home. Examples of terminal illness:

- Any single or multiple organ end stage disease
- Positive HIV test result or diagnosis of AIDS or ARC
- Diagnosis of a medical condition which is expected to result in death within the next 12 months
- Metastatic cancers with poor treatment response

If you do not physically see the Proposed Insured, please note this on the application.

A personal history interview will be conducted by the Company for telephone-solicited applications.

The policy is participating; however, dividends are not anticipated.

Policy Death Benefit

The policy pays a return of premiums plus 6% interest for non-accidental death occurring within the first three years.

The full face amount is payable for death occurring after the three-year graded benefit period or for accidental death in any year (provided premiums are paid).

Issue Ages

50 - 75 Age Last Birthday

Issue Amounts

\$2,500 - \$25,000*

*Maximum issue amount for policies on Monthly Collection mode is \$10,000. Collection mode is available only through agents with an MDO contract.
